FALL 2010 OPEN WORLD VISIT

Tajik Secondary School Administrators Visit Boulder

September 25 to October 2, 2010 Boulder-Dushanbe Sister Cities was fortunate to host a delegation of six Tajik secondary level administrators sponsored by Open World Leadership Center, a program funded by the United States Congress. The theme of the visit was Progressive Educational Reform in Tajikistan.

The delegates, three women and three men, came from diverse regions of Tajikistan. They were Khakima Atahhanova, Muattarkhon Ubaydulloyeva, Lolagul Raimbekov, Zulfikor Abdulkhamidov, Akbarali Choriyev, and Ilkhomzhom Sutlonov. They were hosted by local Boulder families many of whom are educators in the Boulder Valley School District (BVSD). BVSD was very supportive of the visit and helped facilitate visits to nine of Boulder's secondary level schools. Our community support was outstanding. Parents, students and educators whole-heartedly participated in the planning and hosting of the delegation. A great thank you goes out to all who spent hours organizing and hosting this wonderful week-long event.

CYBER-CAFÉ FRIENDSHIP CENTER UPDATE

Peter and Sophia Stoller visited Dushanbe and the Cyber-Café Friendship Center November 12 to November 23, 2010. They report the following. It was wonderful to visit with the Tajik friends we have made over the many years of hosting exchanges in Boulder. At times it was like old home week. The main focus of the visit was to see the Friendship Center in operation and offer any advice and assistance as necessary. We were kindly received by Dushanbe city officials. The Friendship Center has been operational for over a year. Unfortunately under the current management the Center was not operating up

After extensive talks with Dushanbe City and communications from Mayor Osborne to Mayor Ubaidulloev, we are hopeful that the Friendship Center will have a new start and the problems corrected. We are awaiting a response from Mayor Ubaidulloev regarding the Friendship Center status.

We are sure that the city of Dushanbe wants the Friendship Center to be a

Boulder-Dushanbe Sister Cities welcomes Maya Vakhobova and her family to Denver. Maya lived in Dushanbe and worked at the US embassy in Dushanbe for many years. She is a long time friend of BDSC and has played an instrumental role in many cultural exchanges between our cities. She was especially helpful in facilitating the transporting of the Teahouse to Boulder and the visit of Tajik artisans here.

BOARD OF DIRECTORS WELCOME

GOOD-BYES AND THANK YOU

The Board wishes to extend a very big thank you to outgoing members: Sylvia Cheney, Jackie Frischknecht, Julie Hale, Don Mock and Nancy Taylor-Farel. We appreciate all the outstanding work and guidance they offered over the years. It has been significant. We truly appreciate their past and on-going support and activities. Thank you!

We would also like to extend a thank you to former board member and volunteer Ron Broome. He has moved us into the 21st century with his continued support of the BDSC website and his volunteer efforts at transitioning BDSC to an up-to-date database.

Another very large thank you to Ron West who is turning over the treasurer's activities to Aldona Siczek. Ron has steadily shepherded the organization through the complex financial activities of fund raising for the Cyber-Cafe and all the international construction finances for the Center.
